Dear Senator:

Teacher Appreciation Week begins today. Now more than ever, it is fitting that we celebrate teachers and education support professionals (ESPs) for their unwavering fortitude, optimism, creativity, and love for students.

The bipartisan Teacher Appreciation Week resolution applauds educators for their selfless dedication during the COVID-19 pandemic. As school buildings shut down to limit the spread of the coronavirus, educators stepped up in new ways—coordinating remote learning, supporting students' mental health, providing meals to students in need, distributing technology to students, and more.

If you haven't already, please cosponsor the 2020 Teacher Appreciation Week resolution. To do so, contact Rowan Bost in Sen. Susan Collins' office, Rowan_Bost@collins.senate.gov, or Kate Rodriguez in Sen. Sherrod Brown's office, Kate_Rodriguez@brown.senate.gov.

Thank you.

Sincerely,

Marc Egan
Director of Government Relations
National Education Association
